ORGANISERS — COUNTRY

1. The Federation currently maintains regional offices at Bathurst, Dubbo, Lismore, Newcastle, Port Macquarie, Queanbeyan, Tamworth, Wagga Wagga and Wollongong with 12 Country Organisers located around the state.
2. The General Secretary shall determine the area where Country Organisers serve. When making the allocation, the General Secretary shall consider individual circumstances including the region from which each candidate for Country Organiser stood for election. However, candidature for the position must be on the understanding that appointment is conditional on an acceptance of the necessity to relocate within the Organising area and within a reasonable distance from the office. Any relocation, including transfer costs consistent with the Transferred Officers Determination available to teachers, will be negotiated with the successful candidates involved.
3. All Country Organisers, apart from their allocated schools, will have other local workplaces (such as TAFE colleges and other post-schools workplaces as well as Corrective Services) in which they will assist and advise individual members with problems related to their employment. This task will be done with specialist support from the post-schools unit.

While Officers are generally elected to specialised positions, Officers may be required to undertake other duties as requested by the General Secretary. Professional Officers and Officers under the Act are expected to understand the major campaigns being pursued by the various sectors of the union from time to time. All Officers are expected to be able to assist members to obtain information or services from the union and to have a working knowledge of the major awards, agreements, determinations and regulations that cover the membership of Federation.

Professional Officers and Officers under the Act may be required to work hours that take into account the extended hours of operation of some work sites.

Recruitment of members is a priority for the Federation and a responsibility of all Officers.

Federation recognises its obligation to ensure that information is available and that Officers are trained in order to achieve this requirement.

The General Secretary position and the four Deputy Secretary positions are Officers under the Act and the Rules of the organisation and their election is undertaken by the Australian Electoral Commission.
