

Attention members on fortnightly auto credit card deduction payment

December 13, 2018

Due to the Christmas Holiday period, there will be a temporary change for NSW Teachers Federation members who have arrangements to pay their union subscription via credit card on a fortnightly basis. These members are advised that the deductions due to occur on 27 December 2018, will be processed and debited from their credit card account on 21 December 2018. All other payments will occur as normal.

We apologise for any inconvenience caused.
