**July 31, 2020**

Federation developed a program of free professional development courses specifically for casual and temporary members, which the union had planned to deliver face-to-face during 2020.

Unfortunately, due to COVID this program, along with all of Federation's face-to-face training (both [Centre for Professional Learning](#) and Trade Union Training), has been suspended.

However, to support our casual and temporary members, Federation has developed a [suite of webinars](#). These include:

- Working as a Casual or Temporary Teacher (Thursday, 6 Aug)
- Casual Teachers and the Performance and Development Framework (Tuesday, 25 Aug)
- Gaining your teacher accreditation at Proficient Teacher (Tuesday, 28 July and Tuesday, 15 Sept)
- Maintaining your teacher accreditation at Proficient Teacher (Wednesday, 29 July and Wednesday, 16 Sept)

Others webinars that you may also be interested in include:

### Wellbeing

- Supporting student wellbeing after a disaster
- Supporting teacher wellbeing after a disaster
- Your voice and you

### Other topics

- Women and Work — Women's workplace rights and entitlements (schools)
- LGBTIQ-inclusive schools

These free, one-hour live webinars are offered after school (4-5pm) and contribute registered professional development hours towards maintaining Proficient Teacher Accreditation in NSW.
