

From the Heart: What you can do

August 22, 2020

The Uluru Statement from the Heart is a profound call from Aboriginal and Torres Strait Islanders peoples for constitutional change and structural reform in their relationship with Australia — a relationship based on fairness, truth, justice and self-determination where Indigenous cultures can flourish, and the Australian nation can reach a fuller potential.

It is an invitation from First Nations to all Australians “to walk with us in a movement of the Australian people for a better future”.
